C. ELECTRONIC JOURNALS at EBSCOHOST Online Database

1. [Applied Stochastic Models in Business & Industry](#)
Bibliographic Records: 04/01/1999 to present
Full Text: 04/01/1999 to present (with a 12 Month delay)
*Full text delay due to publisher restrictions("embargo")
Description: Topics include include managerial processes, reliability, quality control, data analysis & data mining. New methodologies include wavelets, Markov-chain Monte Carlo methods & spatial statistics.
2. [Bulletin of the Oxford University Institute of Economics & Statistics](#)
Bibliographic Records: 02/01/1963 to present
Full Text: 02/01/1963 to present

Description: Research articles on a broad range of topics using statistical data.

3. [Communications in Statistics: Simulation & Computation](#)

Bibliographic Records: 02/01/2001 to present

Full Text: 02/01/2001 to present (with a 18 Month delay)

*Full text delay due to publisher restrictions("embargo")

Description: Presents papers that make theoretical and methodological advances relating to computational aspects of probability and statistics.

4. [Communications in Statistics: Theory & Methods](#)

Bibliographic Records: 01/01/2001 to present

Full Text: 01/01/2001 to present (with a 18 Month delay)

*Full text delay due to publisher restrictions("embargo")

Description: Presents papers that make theoretical and methodological advances in probability and statistics. New applications of statistical and probabilistic methods are also covered.

5. [Journal of the Royal Statistical Society: Series B \(Statistical Methodology\)](#)

Bibliographic Records: 03/01/1998 to present

Full Text: 03/01/1998 to present (with a 12 Month delay)

*Full text delay due to publisher restrictions("embargo")

Description: A strong emphasis on relevance to statistical practice. Includes papers on study design, statistical models, methods of analysis and the theory that underlies them - almost invariably motivated or illustrated by real examples.

6. [Journal of the Royal Statistical Society: Series C \(Applied Statistics\)](#)

Bibliographic Records: 03/01/1965 to present

Full Text: 03/01/1965 to present (with a 12 Month delay)

Description: Poses solutions to real life statistical problems. Covers the whole range of inter-disciplinary fields, e.g. applications in agriculture, genetics, industry, medicine and the physical sciences.

7. [OECD Papers](#)

Organisation for Economic Cooperation & Development

Bibliographic Records: 08/01/2002 to present

Full Text: 08/01/2002 to present

Description: Research, analyses, forecasts, policy reviews & statistics produced by OECD experts. Subjects include macroeconomics, economic & industrial policies, work areas such as employment, education, trade, environment, science & technology, etc.

8. [Oxford Bulletin of Economics & Statistics](#)

Bibliographic Records: 02/01/1963 to present

Full Text: 02/01/1963 to present (with a 12 Month delay)

*Full text delay due to publisher restrictions("embargo")

Description: Research articles on a broad range of topics using statistical data.

9. [Review of Economics & Statistics](#)

Bibliographic Records: 02/01/1965 to present

Full Text: 02/01/1965 to present (with a 12 Month delay)

*Full text delay due to publisher restrictions("embargo")

Description: Refereed research articles and notes on all aspects of economics and statistics published for the Harvard University Department of Economics.

10. [Statistical Methods & Applications](#)

Bibliographic Records: 04/01/2002 to present

Full Text: 04/01/2002 to present (with a 12 Month delay)

*Full text delay due to publisher restrictions("embargo")

Description: Features original papers and applications of recent statistical methodology and complex approaches of statistical data analysis.

11. [Statistical Modelling: An International Journal](#)

Bibliographic Records: 01/01/2001 to present

Full Text: 01/01/2001 to present

Description: Provides original & high quality articles recognizing statistical modelling as the general framework for the application of statistical ideas.
